INSTRUCTIONS

Print or type information requested in items 1, 2, 3, 4. Make sure licensee's name is given exactly as it is on the license.

This form may be used to apply for a "grandfather" exemption of for an extension of time to do continuing education. Either option is open to both agents and adjusters. In item 5, mark the box that applies.

Exemption: if licensee's next renewal is after 12/31/2002, the 20 years licensure must be continuous, with no gap longer than 90 days, and the license held must have been issued by the Texas Department of Insurance.

Licensure in other states may not be counted as part of the 20 years. If the department's records show gaps in licensure greater than 90 days or that in some other way licensure does not total 20 years, documentation will be requested from the licensee.

Extension of time to do continuing education: The licensee may request an extension of time or a waiver, if prevented from doing the required 30 hours within the two year renewal cycle by illness, medical disability, non- business extenuating circumstances beyond the licensee's control, or because of active military service in a combat theater. Documentation required is listed in items 5.b. (A)-(F).

The department retains to right to audit any exemption or extension granted at any time.
